This bill would require the Franchise Tax Board to report to the Department of Motor Vehicles the estimated revenue loss as a result of deductions taken by residents of any county that has passed a voter approved local vehicle assessment.

The April 13, 2009, amendments would authorize counties to assess lower fees for low emission vehicles. These amendments do not impact the department because the extent of the lower fee assessment is unknown. The department's analysis of the bill as introduces December 1, 2008, still applies.
